Attending

Agenda

Reviewing the last assembly and what points we postponed I wanna propose this topic list:

- 1.- Reports Project in course [10min]
- 2.- Define our work methodology [Present first document] [10min]
- 3.- Define our Policies [Present first document] [10min]
- 4.- Road Map [20min]
 - 4.1.- Finish the wiki pages with all our project in course
 - 4.2.- Communication campaign to ask for needs
 - 4.3.- Searching for new developers
- 5.- Questions time [10min]
